Special Music Workshop to be presented at UMC

By Krista Lemos on Monday, October 10, 2005

Composer and musician Michael Olson will present a workshop in Kiehle Auditorium on Thursday, October 13, at 2:00 p.m. on the University of Minnesota, Crookston (UMC) campus. Mr. Olson writes music which involves the creation of small discrete musical gestures which are recorded and then combined in various ways in a computer to create the finished work. His demonstrations provide a unique insight as to the process of writing music using modern technology.

Mr. Olson is touring under a grant from the McKnight Foundation. The one-hour workshop at the University of Minnesota, Crookston is locally sponsored by the UMC Music-Theater Department and the UMC Concerts and Lectures Committee. There is no admission and the program is open to the public.
